The exquisite rebuild of a classic Hamilton residence has been executed with remarkable architectural finesse to bring you a truly beautiful home. With the innovative vision of Viking Building Solutions at the helm, no expense has been spared in the complete transformation of this property, resulting in a truly magnificent masterpiece.

The original front door and elegant leadlight adornments offer a respectful nod to the residence's origins, juxtaposed against the sleek and contemporary design of the expansive open plan living space, striking island kitchen, and two impeccably styled bathrooms, all imbued with a distinctly modern flair befitting of the 21st century.

The ingeniously designed upper level of the home is an absolute showstopper, offering a true sanctuary for parents seeking a private haven. The carefully considered layout
