Blending elegant period features with all the conveniences you'd expect from a modern home, this attractive weatherboard residence is as captivating to look at as it is comfortable to spend time in. Built in 1930, the home shows off beautiful period details throughout, including feature stained glass windows, plate rails and an ornate fireplace in the lounge room. Meanwhile, updates to the kitchen and bathroom add contemporary convenience to the traditional three-bedroom layout. Outdoors, if you're not spending time on the sunny front verandah, you'll be relaxing on the expansive all-weather deck, complete with TV and BBQ. Offering plenty of privacy, the deep backyard features a fruiting mulberry tree and passionfruit vines, with a large studio providing a flexible space that would work as a garage/workshop, a teenagers retreat or an office. In terms of location, this property places you in the heart of the vibrant, community-minded suburb of Mayfield, within
