

28 Kurraka Drive Fletcher NSW

4 2

Stunning executive style split level home, purpose built as a display home with ducted air throughout, internal access from the double garage (presently set-up as an office). This stunning light filled home is spacious and airy in a way that few can match. Greet family and friends in the large tiled foyer and usher them in the private sundeck for drinks or coffee before heading downstairs to the open ultra modern kitchen, dining and living area all with timber floors. Enjoy dining outdoors with an alfresco area off the family room for the entertainers. 4 bedrooms, king size main with ensuite and walk-in robe. Fully fenced and landscaped low maintenance gardens. Why build when you can walk in here with it all done?
