A festival of natural light, abundant space and rock star views, this 3-bedroom, 3-bathroom Verve apartment showcases a spectacular 180-degree panorama that stretches from the Newcastle Yacht Club and across the harbour to Nobbys headland, the city and Bar Beach.

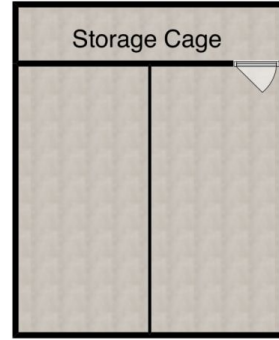

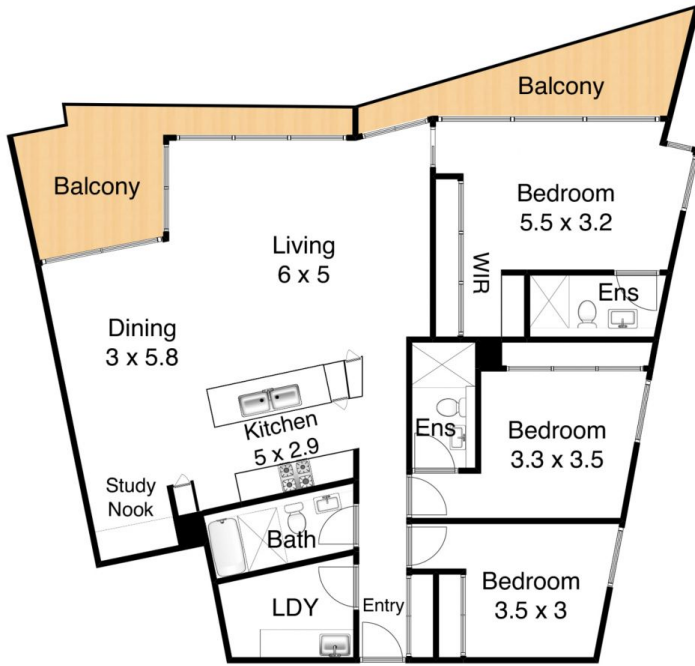

One of just three apartments on the 17th floor with a prized northeast aspect, the open plan living area and master bedroom are fronted by walls of glass and sliding doors that allow the sea breeze to filter into every corner. Vistas from the two separate alfresco terraces are truly immersive. You will never tire of watching the ships glide into port or the sparkling by night city lights.
