

## 233 Dunbar Street Stockton NSW

3 1 1

An older style home in need of some beautification and repair, this three-bedder is your chance to make the sea change you've always dreamed of. This is an exciting opportunity to capitalise on such a beautiful location with Newcastle's city life, airport, and stunning Port Stephens all an easy drive away.

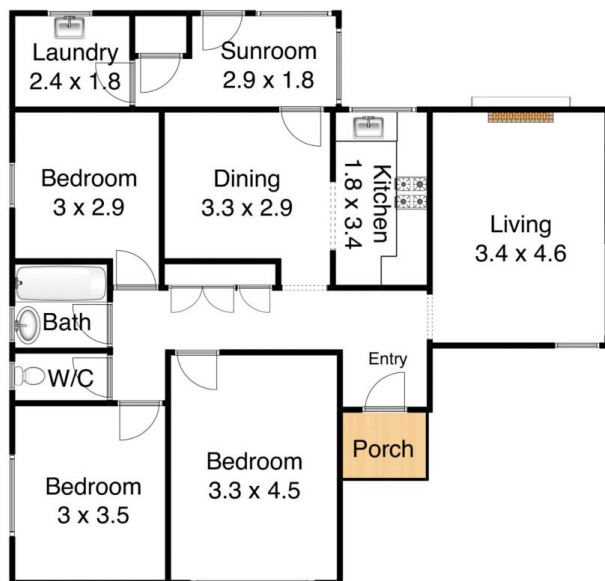

Positioned on a large 613.4sqm corner block with an approximate 26m frontage to Dunbar Street and approximate 21m frontage to Stone Street, the property is ripe for a total renovation with plenty of room for an extension or a dream new home, or why not extract maximum value from the block and build two separate dwellings? All subject to council approval.
